Communication possible Presence of foreign Bodies		Revision 01 of 03/10/2018 Page 1 di 1

COMMUNICATION POSSIBLE PRESENCE OF FOREIGN BODIES

We inform that the following animals, originating from the breeding farm _____,
 sent in date _____ with Model 4 Number _____
 to the INALCA SPA slaughterhouse

could contain foreign bodies in the anatomical parts indicated:

	Auricular	Type of Foreign body	Anatomical part	Side (Right - Left)
1				
2				
3				
4				
5				
6				
7				
8				
9				
10				

Particular attention is required during the phases of slaughtering/cutting,
 in order to identify and eventually have them removed.

In faith,

Place and date _____

Stamp and Signature _____
